

PRO BLANKET

The new state of **THERMAL BLANKET** designed to protect your cargo from common issues. Perfect for **Coffee Beans, Wine, Cocoa, Biscuits, and others.**

HOW DOES IT WORKS?

Pro Blanket is a thermal blanket that covers 5 sides of the container, the reflective properties reduce the risks of hot & cold temperatures reaching your cargo therefore acting as a barrier to keep your goods safe.

FEATURES:

- ↓ LOW COST
- 👍 EASY INSTALATION
- 🛡️ DURABLE
- ✂️ FOOD GRADE MATERIAL

NOTE:

To reduce the risk of condensation, **MOISTURE ABSORBERS** must be placed according to the installation manual.
